

Alhambra 5PCWE8

Marke: Alhambra

Artikelnummer: 6800

Verfügbarkeit: In Stock

Gewicht: 0.00kg

Abmessungen: 0.00cm x 0.00cm x 0.00cm

Preis: 1'145.00CHF

Short Description

The Alhambra 5 P CW E8, a gem of musical craftsmanship, features a Samanguila neck reinforced with ebony and a fingerboard made of the same material for added durability and smooth playability. With golden tuners, solid AA cedar top, and Indian rosewood back and sides, this guitar is not only visually stunning but also offers exceptional tonal depth. Designed for advanced students, it comes equipped with Fishman Flex M Blend electronics, a cutaway for effortless access to upper frets, D'Addario EXP-44 high-tension strings, and an included 9738 case, making it the perfect choice for those seeking quality and convenience.
